WELCOME

We cook with respect for nature, love for craftsmanship and curiosity about taste.

Our cuisine is **locally rooted** and **seasonal.**

We use local suppliers who grow and process with care.

For example, we use:

Organic eggs and chickens from *Abildskær Gård*
Organic bacon, ham and charcuterie from *Troldgaarden*
Organic trout from *Ådal Ørred*
Local microgreens from *Landbrug Niels Ole Krog*
Local beef from *Guldager Highland Cattle*

Most of our raw produce is **organic**

We strive for honesty, simplicity and good experiences
